Sir,

With reference to correspondence ending with my letter no 130 dated 1st February 1910, regarding the appointment of a Special Deputy Amildar for the Town of Shimoga, I have the honor to state that as Mr Mohadeen Sheriff has been posted to the Hunsur Sub Taluk permanently, C B Shama Rao's acting appointment will cease on being relieved by Mr Mohadeen Sheriff at Hunsur and he will thereafter be available for duty in the Shimoga Town Municipality

2 He entered upon the duties of the Special Deputy Amildar on the 2nd December 09 and continued to work till the 3rd February 10, when he was relieved and directed to

proceed to Kumbi - Two out of the three months for which period his employment was sanctioned in Government Proceedings No 1889-90 dated 26th August 1909, have Rs 271-08-00 thus expired, and as much still remains to be done, the remaining period of one month is quite insufficient for bringing the work on which he is engaged to a satisfactory completion

3 I shall briefly refer to the works that have to be attended to urgently -

First and foremost is the collection of the recoverable arrears together with the Current years demand According to the Demand Collection and Balance Statement for December 1909 the balance on the 31st December 1909 was Rs 8755-2-6 which may be classified as follows —

	Rs	As	Ps
For 1908 09	1806-	8	7
1907-08	1969	4	0
Up to 1906-07	4979	5-	11
Total	8755-	2-	6

Of which Rs 516-2-8 have been collected in January 1910 leaving Rs 8238-15-10

yet to be recovered on 1st February 1910

(4) The Collection season has already commenced and including the current Demand, the amount to be collected comes up to a little more than 16,000/- This amount will have to be collected from about 3000 individuals of whom 1000 only are expected to pay on demand and in the remaining 2000 cases coercive processes will have to be taken.

5) It is not possible for the single collection mutsaddi that is at present employed to attend to the collection of this large amount within the course of the next 3 or 4 months In fact, the large amount of arrears of previous years that is outstanding, is due to the impossibility of one mutsaddy to cope with the work and to the want of closer supervision

(6) The other works that have to be attended to are: —

(1) Conducting the Jamabandy of the current year

(2) Completing the revision of Khaneshumari,

numbering of houses

(4) Preparation of remission Statements

(5) Preparing a correct list of Kulwar taks – a task calling for patient and laborious scrutiny

(6) Verification of the arrears of cart tax with the Cart License Register and reducing the balance shewn against parties who have obtained Licenses on payment of cart tax direct in the municipal office without the intervention of the collection Mutsaddy

(7) Revision of Khata so as to include all items of Revenue due by each individual

7 The Vice President with his Treasury and criminal work cannot possibly be expected to devote his whole time and attention which these works demand – It is, therefore necessary to give him relief by giving him an assistant of the status of a Deputy amildar for the next few months at least

(8) Under these circumstances, I request that the Government may be pleased to sanction the continuance of the Special Deputy amildar and the temporary clerk sanctioned in Government Proceedings

1889-90 / and 240-08-60 dated 24th August 89
for another three months

(9) The subject will be brought before the next municipal Council and their resolution will be submitted in due course.

10 The extra cost involved may be met from the sum of Rs 2000/- provided under C2 "Public health and Conveyance, R. Compensation" in the current year's Municipal Budget

I have the honor to be,
Sir,
